New Homes Bonus Grant Application Successful!

The Parish Council is delighted to announce that its application for the New Homes Bonus Project Grant has been approved by Aylesbury Vale District Council. The funding will be put towards the first stage of redeveloping the Village Hall. This will enable the disused Day Care Centre to be converted to a new Parish Centre to better serve the needs of the community.

reLEAF HADDENHAM

Introducing reLEAF

Following on from the Parish Council's declaration of a Climate Emergency in June, it has been working with Zero Carbon Haddenham (ZeroCH) to identify key ways to help the Parish become carbon neutral by 2030. ZeroCH, formerly known as Haddenham in Transition, proposed a tree planting programme called reLEAF, which aims to double the tree cover in the Parish in the next 10 years. We are pleased to announce that reLEAF will be the first joint project between the Parish Council and ZeroCH. Further details on the project can be found in the [Releaf proposal document](#). Alternatively, ZeroCH will be at the Greener Living fair on Sunday 29th September, from 1.30 - 4pm, in Haddenham Village Hall. If you would like to be involved in reLEAF, you can also contact releaf@zeroch.org.

Woodways Tennis Courts Extension

We're thrilled to announce that planning permission for the Woodways Tennis Courts extension has been approved. The extension of the tennis courts will provide an additional two new mini-courts, a new pedestrian path along the front of the courts and improvement to the adjacent car park. We hope to begin work in the near future.
