**P19 119 PLANNING APPLICATIONS**

To consider the Council's response to the following new planning applications:

- (i) 19/01302/APP 16 Old Mill Close Haddenham Buckinghamshire HP17 8HQ  
Demolition of existing garage and rear extension and erection of single storey side and rear extensions  
*The Parish Council has no objection subject to confirmation that :*  
*(1) the proposal meets AVDC design guidance on residential extensions in respect of daylighting infringement to neighbouring property (insufficient information provided to assess) and*  
*(2) there is sufficient on plot parking to off-set the loss of the garage*
- (ii) 19/00914/APP 165 Churchway Haddenham Buckinghamshire HP17 8LG  
Regularisation for location of chiller unit. (retrospective)  
*The Parish Council objects to this application.*  
*Reason: The previous application (11/02004/APP) permitted the units subject to being contained within a suitable enclosure for the purposes of noise abatement within 28 days of the approval. The PC understands this has not been done.*
- (iii) 19/01325/ACL 10 Fern Lane Haddenham Buckinghamshire HP17 8EL  
Application for a Lawful Development Certificate for an existing use of The Old Brewery Flat as an independent single residential property.  
*The Parish Council opposes this application.*  
*Reason: No evidence of continuous use has been presented. The building is essentially part of 10 Fern Lane and lacks the normal amenities for an acceptable independent dwelling.*
- (iv) 19/01391/APP 13 Roberts Road Haddenham Buckinghamshire HP17 8HH  
Single storey rear and side extension.  
*The Parish Council has no objection subject to confirmation that the proposal meets AVDC design*

*guidance on residential extensions in respect of daylighting infringement to neighbouring property (insufficient information provided to assess).*

- (v) 19/01418/APP 6 Townside Haddenham Buckinghamshire HP17 8BG  
Demolish existing brick shed and replace with garden room  
*The Parish Council has no objection subject to the addition of a condition that the proposed garden room is to be used as ancillary only, and not to be used as lettable or independent habitable space*

#### Public Participation

The Chair allowed a representation from a resident at this point of the meeting.

The following concerns were raised regarding 19/01469/APP and the impact on 17 Rosemary Lane:

- 1) There is a difference in the ground levels between the properties which is not obvious in the plans. This difference, and the close proximity of the property to the boundary could mean that the residents of 17 Rosemary lane could look directly into the velux windows in the roof of the proposed new building.
- 2) The proposed new building will be higher than the existing building so there could potentially be over-shadowing.
- 3) The light from the velux windows would cause light pollution..
- 4) The plans don't show vents for the shower / kitchen area, but if these are included they should not vent towards 17 Rosemary Lane.
- 5) The witchert wall between the properties does not form part of the existing building, so there may need to be a party wall agreement. (Noted that this is not a planning matter).

- (vi) 19/01469/APP 10 Rudds Lane Haddenham Buckinghamshire HP17 8JP  
Removal of existing outbuilding/garage and replace with building/store.

*The Parish Council has no objection subject to:*

1. *Submission of an appropriate method statement for treatment of the affected witchert walls in compliance with AVDC witchert walls guidance*
2. *Confirmation that there is no infringement of 17 Rosemary Lane.*  
*In particular concerns have been raised regarding*
  - (i) *The difference in the ground levels between the properties which is not obvious in the plans. This difference, and the close proximity of the property to the boundary could mean that the residents of 17 Rosemary lane could look directly into the velux windows in the roof of the proposed new building.*
  - (ii) *The proposed new building will be higher than the existing building so there could potentially be over-shadowing.*
  - (iii) *The light from the velux windows could cause light pollution.*
3. *Any comments by Heritage Officer*
4. *The addition of a condition that the proposed building is to be used as an ancillary summer room only, and not to be used as lettable or independent habitable space.*
