

Scrutiny Bucks

"Bucks scrutiny - Helping to improve the quality of life for Buckinghamshire residents through holding decision-makers to account."

Your council, your say.

Do you have a question or view on:

- Care for older people?
- Reducing crime?
- Services for those who are vulnerable?
- Improving roads and footpaths?
- Support services for children?

If so, come along to the Council's scrutiny committees and have your say directly to County Councillors at the Public Platform slot at the meetings. We welcome questions or views on any service delivered by Buckinghamshire County Council or the NHS in Buckinghamshire.

Complete an online form to submit your question or views and find out more information on our website:
