

Haddenham Village News

September 2015
Issue No.82

Published quarterly by the Parish Council and delivered to every house in the village

Haddenham NEIGHBOURHOOD PLAN We've got it made!

The 16th July 2015 was a historic day for Haddenham: the polling day on whether to accept the Neighbourhood Plan. Over half the village electorate turned out to vote, delivering an emphatic "yes", with 1712 (86%) votes for, and 273 (14%) against. The plan then went to Aylesbury Vale District Council who "made" the plan (that is formally accepted it) which they did at the beginning of September. Our Plan is now a formal recognised document, to be considered in drafting of the Vale of Aylesbury Local Plan (VALP), itself due to be adopted in summer 2017. Meanwhile, our Plan will have to be considered in any planning applications.

But the Plan is not only about housing - it's about sport, leisure, recreation and village amenities too-although it is housing growth that inevitably makes the headlines. The Plan allows for 430 new homes, and you can see the sites on the Parish Council website. During the summer, there was a flurry of emails which villagers may have seen suggesting that recent Court cases could undermine the weight given Neighbourhood Plans in planning applications. Because AVDC has failed to adopt its own Local Plan yet and crucially does not have the supply of new housing in the pipeline. However, Haddenham Parish Council is convinced our community is in a stronger position because of our Neighbourhood Plan. Meanwhile our Parish Council joins other voices in the Vale urging our AVDC Councillors to use discretion to give full weight over and above developer interests where Neighbourhood Plans have been developed by communities.

Inside this issue

Small Grants for Haddenham Students.

Valued Village Shop Re-opens.

Haddenham Community Orchard.

Get to Know Your Councillors.

Update on Heartbeat Haddenham.

What's Happening with the Environment Committee?.

Training for Parish Councillors.

The Haddenham Feast.

The Parish Council thanks everyone for participating in the exhibitions, workshops and discussions over the last 2 years. A key aim of neighbourhood plans is to encourage community participation, and we now want to maintain and build on the fantastic level of interest. There is much work to take forward the vision in the Neighbourhood Plan. The referendum was only the start of the journey towards Haddenham 2033!

David Truesdale
Vice Chair Haddenham Parish Council

Small Grants for Haddenham Students

Haddenham Parish Council is the Trustee of Haddenham Educational Charity which was set up from the Old British School Charity when the Old British School was sold. Each year the Council awards small sums of money to students in the village who need help towards the purchase of books or equipment for their education.

As now is the time when many students are about to head off to college or University, it is time to get your applications in. The closing date for applications is 30th September 2015. The Council will review the applications during October and awards will be made in early November.

If you would like to apply for a grant an application form can be found on the Charitable Trusts section of the Haddenham Parish Council website www.haddenham-bucks-pc.gov.uk.

Alternatively you can contact the Clerk by email haddenhampc@btconnect.com or phone 01844 292411

Valued Village Shop Re-opens

The Neighbourhood Plan consultation highlighted how much villagers value our local businesses, particularly the variety of food shops sprinkled throughout the village. The Parish Council was therefore particularly pleased when the only shop at Church End re-opened as The Egg House Butchery. Run by a local family and sourcing locally produced foods including meat, cheese and delicious ice cream. Please make all our local shops a success by Shop Haddenham First.

Litter Pick The Parish Council is organising a litter pick on Saturday October 10th 2015. Volunteer litter pickers always welcome. Please join us at Banks Car Park at 10am.

Aylesbury's Blue Ribbon Chauffeurs Friendly Executive Taxi Service

Haddenham Community Orchard

Haddenham Parish Council has taken ownership of the field adjacent to Townsend Green, one of the benefits from the development at Stokes Croft. Using the land as a community orchard was voted for by the village in 2014 as a legacy for this and future generations of villagers. The creation of the orchard can now begin in earnest. The Orchard Committee, a sub group of the Parish Council Environment Committee will manage the orchard and there a number of community events planned over the next few months which we hope will attract a large number of Haddenham residents

A professional orchard designer has designed a layout using a range of old varieties of apple, pear, cherry and plum trees. The final design includes soft fruit bushes and wild flowers with an integral seating area. The Committee believe that the orchard will encourage the village residents to engage in its creation and maintenance in addition to harvesting the free fruit! Local schools will be able to use the orchard for educational purposes throughout the year. The Committee plan to hold at least two public events a year such as celebrating midsummer, apple pressing, or even fruit cookery classes.

Now the Committee needs to raise the funds to purchase the saplings, bushes, protection and support for the plants, sign boards and furniture. The budget for the complete orchard is £4,000 and whilst there are some grants from local charities, the Committee aims to raise the majority of the funds from private donors.

Why not come on board and help us to create a lasting legacy for the village?

If you are interested in helping with the orchard either as a volunteer or as a sponsor, please contact either Elaine Pickup on 01844 296191 – Elaine-pickup@hotmail.com or David Greaves on 01844 290039 – grivas@hotmail.co.uk

Check Haddenham.net or the Events insert for details of the Orchard Events.

Dog Sitter / Couple Required

Food and Wages provided

No dog walking needed as there is a large garden
3 small dogs who can be left during the day for a few hours

Village location

Needed 4th - 19th October 2015

Telephone: 07840 919768

Update on Heartbeat Haddenham

Heartbeat Haddenham has now installed public access defibrillators at the railway station, the sports pavilion on Woodways, and at Abbeyfields. Together with the one outside the library, there are now four fully operational units up and running in the village. There is another unit which will be sited at Church End when appropriate permissions have been granted and two further units for other sites in the village. In the Autumn, Heartbeat Haddenham will be running CPR and defibrillator familiarisation courses. Look out for news on Haddenham.net and in the Bucks Herald.

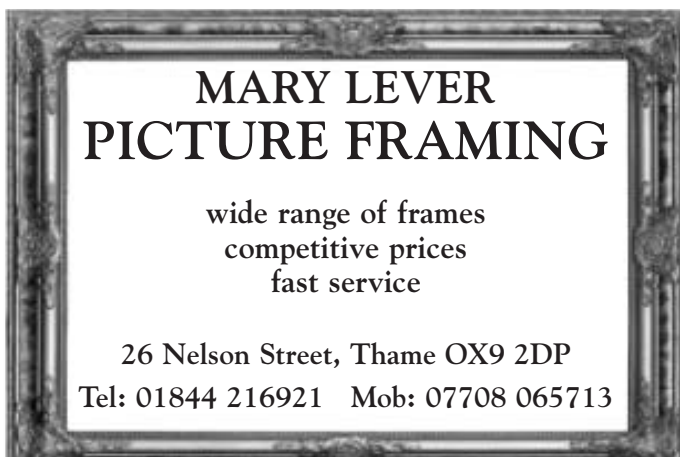

Helping Hands
The Home Care Specialists

What's Happening with the Environment Committee?

Chris Young, Chair of the Environment Committee gives an update on this busy group.

Matters dealt with by the Environment Committee have not had such a high profile as the Neighbourhood Plan, but, nevertheless, are very important to the life in the village.

For example, Buckinghamshire County Council have passed responsibility to the Parish Council for the maintenance of local footpaths and all grass cutting of verges inside the 30 MPH limit. External contractors have been hired to do the large volume of work and as September will be the 3rd cut since this change has taken place, they are now familiar with the various quirks of Haddenham's grassy areas.

The pond at Rudds Lane has been dredged and the sludge and silt has been removed and disposed of at a recognised site. We also took the opportunity to give the neighbouring trees a haircut. Church pond has had the sleepers replaced and disposable matting has been installed to give the grass a chance to grow back. To ensure that the grass is undisturbed, please respect the guard ropes and keep off the enclosed area.

Buckinghamshire County Council have promised to finally start work on the proposed Zebra Crossing in Woodways by the two schools in September. We will meet with Transport for Bucks soon to review the costs currently estimated at £84,000, which will be met by a New Homes Bonus grant from Aylesbury Vale District Council.

Meanwhile we continue to work with Buckingham County Council to attempt to resolve the car parking problems in the Sheerstock and Wykeham Way area. We have been very grateful for the support from villagers affected by commuters leaving their cars on the street.

The village street lights are a particular problem as we are no longer allowed to renew lights on telephone poles and many are getting very old. We have developed a replacement programme and put extra money aside from the budget to cover additional costs.

The View from F&GP

The PC's unappealingly called F&GP Committee stands for Finance & General Purposes – enough to frighten anyone away! But this Committee is responsible for planning and spending the PC's budget, managing its staff, buildings and assets including Banks Park and the Willis Road Playing Fields, and indeed anything not covered by the other main Committees – which can make for a heavy workload. It meets on the 4th Monday of the month.

What has F&GP been up to in recent months? We have bedded in an entirely new way of managing the budget following a full review and going digital, bringing us firmly into the 21st century. We have reviewed an audit report on these new arrangements, are preparing for compulsory pensions from next year, and are reviewing a raft of policies and procedures to ensure we are at the forefront of best local council practice. We are recruiting a new part-time Assistant Parish Clerk to help us take on new responsibilities like devolved services from the County Council, and following up the Neighbourhood Plan.

Major recent expenditure in the last quarter has included £13,599 to remove silt from Rudds Pond; £12,454 to replace rotted iron railings around Banks Park; £3,100 to reinstate collapsed banks at Church End pond; and £2,460 on tree work mainly at Banks Park and Rudds Pond.

Next projects include repairs to the dentist's surgery at Banks Cottage and the wychert wall along Banks Road; a pedestrian crossing at Woodways funded by the New Homes bonus; working with the County Council to seek potential funding for the Sheerstock Parking proposals; and with the developer of the Airfield site to secure funding for major new sports and leisure facilities. Fundraising is taking place for trees for Townsend Community Orchard, for Heartbeat Haddenham defibrillators, and the continued maintenance of Snakemoor. So never a dull moment!

The Haddenham Feast

Have you ever wondered why the fair visits Haddenham each year around this time? It is to celebrate the Haddenham Feast. The feast is an ancient festival to celebrate the harvest on the Sunday with the fair day the next day. Apparently, its strange timing- the Sunday after the third Thursday in September - is to do with the feast being set according a calendar used before our current Gregorian calendar.

Do you trip along or trip up the pavements of Haddenham?

Haddenham Safe Walking and Cycling Group are conducting a survey of the state of Haddenham's walkways. Cynthia Floud, Chair of the group gives an update.

'Our pavement survey has identified some spots where there is a chance of tripping up, other places where hedges and brambles have overgrown and, if you are in a wheelchair or pushing a buggy, you may have to go into the road. We have also noted where the size of the potholes in the road mean that pedestrians could get a soaking, when vehicles plough through the inevitable puddles. We think that pavements are at least as important as roads, where their upkeep is concerned, for the safety and comfort of residents. The results of the survey will be shared with the Parish Council.

We can also report that our campaign to persuade car owners not to park on pavements is going well. Cards are available from the Parish Office, which you can put on the windscreen of poorly parked cars, to remind them that pavements are for people. Our PCSO, Sue Jones, tells us all to photograph the number plates of repeat offenders and send the photos to her at suzan.jones@thamesvalley.pnn.police.uk.

Cars parked at the roadside may slow the traffic down and obstruct the flow, but this is a good thing from the point of view of pedestrians, children and cyclists. Most motorists are pedestrians too, so it will benefit them. While out surveying, we have discovered some pavements which have been damaged by cars being parked on them: kerbstones dislodged or asphalt worn away. Thus our two campaigns 'Twenty's Plenty' and the Pavement Survey have merged to focus our attention on Haddenham's pavements and their role in the safety of villagers.'

Cynthia Floud, Chair, Haddenham Safe Walking & Cycling Group cynthia.floud@btinternet.com

The maintenance of most pavements and roads in Haddenham are the responsibility of Buckinghamshire County Council and can be reported at www.transportforbucks.net/Tell-us.aspx. With the evidence collected from surveys such as this, the Parish Council Environment Committee can lobby the County to make these essential repairs.

Thank You Thank you to Keith Milner of Haddenham.net for the use of his photos in this edition of the newsletter.

Get to Know Your Councillors

Parish Councillors are volunteers, giving up their time to work on behalf of the community. Here we ask one member of the Council some searching questions. This issue we feature Councillor Margaret Aston, both the Chair of the Haddenham Parish Councillor and a Buckinghamshire County Councillor.

How long have you served on the Parish Council?

I have been on the Parish Council for nearly forty years during which time I have seen many changes in the village. I think the most notable is the opening of the railway and I remember remarking at the time that it would lead to an expansion of the village although prior to this several developments had already been agreed.

How did you become involved in the Parish Council?

I came to the village in 1963 and was asked to a coffee morning at the end of which I was asked to stay!! Not knowing for what reason as new comer I was somewhat surprised! However, the lady in question, Betty Arne, asked me if I would consider taking on the organising of meals on wheels for the area., Without thinking I said 'yes' and continued to organise and deliver meals for the next 25 years. I think I have been nearly every cottage in the village and neighbouring villages. This was my start in serving the community and prompted me when asked to stand for the Parish Council and then the County Council.

What has motivated you to be involved for so long?

My interest in the local community has always been of great importance to me and I will continue to do so as long as I am able.

You can contact Margaret on 01844 291576 or maston@buckscc.gov.uk

Training for Parish Councillors

Becoming a parish councillor can be a daunting prospect, but thankfully there is an organisation that provides

support. Known by another awkward acronym 'BMKALC', the Buckinghamshire and Milton Keynes Association of Local Councils have an excellent trainer Carole Burslem who run a half day course for parish councillors on Saturday 19th September. The Haddenham Parish Councillors welcomed our colleagues from all corners of Buckinghamshire training held in our very own Walter Rose Room. Even the most seasoned councillor learned something new, thanks to Carole's encyclopaedic knowledge. It was really surprising to hear that whilst the parish council has little powers in comparison to Aylesbury Vale District Council or Buckinghamshire County Council, we do a few. For example:

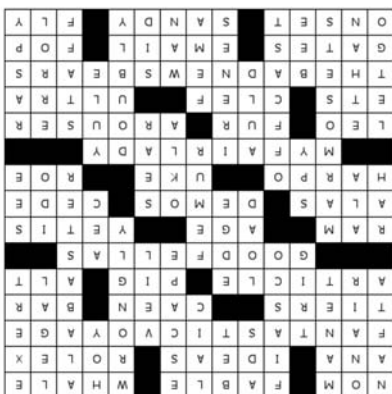

The power to provide allotments and which are to be found between Townside and Sheerstock. Our allotments are well look after by Alison Watt with John Wheeler. Allotment rents are due now so if you have received your invoice, please do pay promptly. The demand for allotments has increased over the years but people giving up allotments often do so at this time of year, so if you are interested in being added to the waiting list, contact Alison (see contacts at the back of the newsletter).

Have regard to the protection of the bio-diversity of the area. Now that we undertake some of the grass cutting, we can ensure that the timing allows the wild flowers to seed on the grass verges, an increasingly important site for our native flora. All work on the ponds has been carried out with consideration of the wild life within them.

The Power to provide baths and wash houses. Whilst we are not totally convinced of the need in Haddenham, this is the sort of power that could straight to you head. Have yet to see the 'ability to provide a bath house' rank in anyone's list of most desired super power, it's nice to know if we really wanted to, we could.

The group learned that parish councillors are officially 'holders of public office' and so not counted as volunteers, despite receiving no payment for the time given in council duties – including giving up Saturday mornings to attend training. Anyone interested in becoming a councillor or being co-opted onto one of the sub groups can contact Sue Gilbert at the Parish Office for more information.
