David Lyons

Tom Newton

David Truesdale David, Chairman of the Parish Council, has lived in Haddenham for 24 years and been a Councillor for 16. He currently chairs the Planning and Personnel committees. A retired Housing Association Director with 40 years' experience in town planning, housing and community development, David was awarded the MBE in 2013 for services to the community, particularly for CDI, the Blackbird Leys charity he co-founded, which provides services for young people and the elderly.

Margaret Aston Margaret – who is Vice-Chairman – has lived in Haddenham since 1963 and has been Chair of Haddenham Parish Council twice, for around eight years both times. She has served on Haddenham Parish Council since 1977. Having just finished a 24-year tenure at Buckinghamshire County Council, Margaret has a wide range of experience in local government, particularly in Health and Children's Services

David O'Hanlon David's education and career are a slightly novel mixture – he is a philosophy graduate of Birmingham University, a Chartered Accountant and was an advertising planner for 25 years. David is now co-Founder of New Urban Living, a specialist property developer that builds homes to help people 55+ who want to downsize to do so. David chairs Finance & General Purposes and Community Facilities, and sits on Planning and Environment committees. His particular contribution to the Parish Council is assisting the Responsible Financial Officer with preparing accounts, budgets and the precept.

Chris Young Born and bred in Thame, Chris moved across the border to Haddenham in 1974. He has spent most of his working life at BT, and has been on the Parish Council for 12 years. Chris is Chairman of the Haddenham Beer Festivals Trust and is currently Chairman of the Environment Committee. He is also on the Planning, Communications and F&GP Committees. Chris's greatest interests are wildlife and rugby.

Gerry Weetman Gerry is 55 years old, married with two grown-up children and has lived in Haddenham for nearly two years, with his wife Maria. He chairs the Communications committee and also sits on Planning and F&GP. Gerry believes that decisions affecting local communities are best taken by those it directly affects. Working in partnership with others is crucial in order to make a difference, and he continues to look forward to seeking to improve the quality of life for Haddenham's residents.

John Wheeler A born and bred Maidonian, John attended St Luke's School before joining the Army. Invalided out with a serious injury, he attended the University of Westminster, and enjoyed academic life so much he devoted his career to teaching at a university. Recently retired, John is pursuing his many and varied interests, including walking in the UK and Europe; cooking Haddenham Age Concern lunches; and participating in the Plough Quiz Team, which plays in the Chiltern League. A Parish Councillor for 15 years, John chairs the Allotments and Snakemoor committees and is Vice-Chair of the Environment Committee.

Steve Sharp Steve has lived in Haddenham since 1984. He worked for the County Council's education service until 1996, when he became an education consultant. Later, he was Operations Director of The Duke of Edinburgh Award. Steve serves on the F&GP, Planning and Personnel committees. Steve's interests include editing *The Haddenham Chronicles* for the Haddenham Museum Trust, chairing the Trustees of the Community Library, walking, cricket, crosswords and four young grandchildren.

Amanda Capp The current editor of the quarterly *Haddenham Village Newsletter*, Amanda joined the Parish Council a year ago. She is on the Communications and Environment committees and has lived in Haddenham since 2013. Amanda has 14 years' experience in communications, most recently working for Deloitte and the Financial Conduct Authority. Amanda enjoys playing the piano, learning German and looking after her daughter.

David Lyons David – who sits on the Environment and Communications committees – has lived in Haddenham for 12 years and works as a railway engineer in London. He is most concerned that decisions taken now about how the village and its surroundings take into account likely changes in the national and global economy and environment. One of his biggest concerns is that the community can be resilient and provide the necessities of life (e.g. food) in times of energy shortage, climate change and economic decline.

Tom Newton Tom, who joined the Parish Council two years ago, has a background in IT and was raised in Haddenham. On the Planning and Communications committees, Tom became a Councillor because he felt the younger generation needed representation and wanted to give something back to the community in which he was raised and contribute to the village as a whole.

What is a Parish Council?

- An elected body in the first tier of government
- Legally granted powers by Parliament to raise money through taxation (“a precept”) and a range of powers to spend public money

What do Parish Councillors do?

- Unpaid volunteers who work together to serve the community
- Bring issues to the attention of the council, and help it make decisions on behalf of the local community

What does your Parish Council do?

Responsibilities include: planning; parking spaces; traffic signs and other notices; burial grounds; allotments; bus shelters; lighting; verge and footpath maintenance; community centres; litter; recreation grounds; public seats (e.g. benches); traffic calming; war memorials.

What's missing?

Are we missing your club or society? Would you like to see their activities listed in the newsletter? Do you have any news items or pictures for the Parish?

If you would like to contribute to the next newsletter or the website, we would be delighted to hear from you. Please send articles to the Clerk (haddenhampc@btconnect.com).

The closing date for the next edition is Thursday 24th August 2017.

Village maintenance – new contractors signed

The Parish Council has signed contracts with two new contractors. Following the departure in 2016 of our resident handyman, the not-for-profit social enterprise 'Aspire' was appointed to carry out maintenance in Haddenham from April to October 2017. The multi-award winning Oxford charity, Aspire, provides recovery, training and work experience to men and women with disadvantaged backgrounds, offering them a viable route back to employment. Learn more about how Aspire works at <http://www.aspireoxford.co.uk/>.

The Parish Council has also officially taken on responsibility for maintenance for St Mary's churchyard. We are retaining the services of the church's current contractor, Westbury, and will be signing a new contract shortly.

Speeding drivers beware!

With the aim of reducing speeding in the village, Haddenham will shortly be the co-owner of a Sentinel – a small, discrete, digital camera with a rechargeable battery. Using advanced speed

detection technology and a high-quality digital video to capture speeding vehicles, the Sentinel is small, light and easily moved around the village. Volunteers will man the system, with two already in place! The Sentinel is being funded by the Haddenham & Long Crendon Local Area Forum and contributions from the 13 parishes which will share its use. Haddenham will also be responsible for storing and booking the Sentinel in and out. Using the Sentinel is simple and straightforward, and any volunteers are encouraged to contact Sue, the Parish Clerk.

Haddenham War Memorial now Grade II listed!

A poignant memorial to those lost by Haddenham in the First and Second World Wars, Historic England has granted Haddenham War Memorial Grade II listing, following a successful application by Nick Burch.

In its report, Historic England stated that the War Memorial was particularly noteworthy, set in a railed enclosure on the village green, with the listed cross and a number of listed buildings nearby. The War Memorial itself is a Portland stone obelisk with detailing on the ball finial including acanthus, thistle, shamrock and rose.

The War Memorial was inaugurated on 16 October 1921, by the Marquis of Lincolnshire, the Lord Lieutenant of Buckinghamshire. The parish of Haddenham had sadly lost 59 men from the First World War, with the names of nine men added after the Second World War. For more information about the War Memorial, see *The Haddenham Chronicles* no. 6.

Parking Restrictions: Phase One completed

Following our February issue update, Phase One of the parking restrictions scheme to address the urgent need to introduce restrictions where there were serious safety concerns has been completed.

Following a very serious traffic accident in High Wycombe which delayed the project until Easter, a traffic regulation order was made, and the following plans, which enforce Highway Code safety advice, have been introduced:

- a new clearway from Station Road to the entrance to the station
- sections of double yellow lines on Thame Road, Sheerstock and Wykeham Way; and
- an extension of the Pegasus Way clearway up to the A418.

Residents have asked why a short section of double yellow lines has been left out on Thame Road outside the station. According to Buckinghamshire County Council's "Vision for Parking", they aim to control parking where necessary and allow parking where possible, and this approach was used to introduce restrictions in Haddenham.

The impact of these restrictions will be monitored and, if necessary, a Phase Two will address additional issues.

Margaret Aston steps down from Bucks County Council

After 24 years serving as a Buckinghamshire County Councillor for the Bernwood division, Margaret Aston stepped down on Thursday 4th May. She is looking forward to becoming an Independent Member for the Fostering Panel. Margaret's wide range of experience on the fostering panel means that she is highly sought after at BCC, as she has served on both the fostering and adoption panels.

With representing and working for her community and having a close and personal involvement in cases the most rewarding part of her work, the bulk of Margaret's experience has been in Health and Children's Services. She has chaired the Appeals and Complaints and Home to School Transport panels, and sat on committees including Adult Social Care and Education. Margaret has served on a number of outside bodies, Carers Bucks, Aylesbury Medical Ethics Committee, Aylesbury Vale Community Health Council and Aylesbury and Milton Keynes Valuation Tribunal.

Recently her cabinet involvement has been with Public Health and Community Issues. Margaret was a founder member of Abbeyfield Haddenham and was elected to the Abbeyfield National Committee on which she served for 12 years; six years as National Chairman of Care and Development.

On the education front, Margaret was School Governor of Haddenham Community Junior School for 20 years, Governor of Henry Floyd School, Aylesbury High School and Aylesbury College for eight years each.

Born in Wimbledon, Margaret has lived in Haddenham since 1963 with her husband and children and was elected to Buckinghamshire County Council in 1993. Margaret has also served for 40 years on Haddenham Parish Council where she is currently Vice-Chair.

Parish Council Casual Vacancy

Resignation of Cllr Tim Armitt

The Parish Council is very sad to say goodbye to Tim Armitt who has been a Parish Councillor since September 2011. Tim has served as the Parish Council representative on the Fete Committee and is key in organising this annual event. The Fete has raised thousands of pounds for local charities and voluntary organisations. We wish Tim and his wife Sheilagh well as they move on to a new chapter in their lives.

Have you ever thought about becoming a Parish Councillor?

The Parish Council has a Casual Vacancy which needs to be filled. Notice of the vacancy was served on 28th April 2017. If 10 electors of the Parish give notice to the returning officer within 14 days of that date requesting an election, this will be held. If no election is requested the vacancy will be filled by co-option. This will be formally advertised and take place at the Parish Council meeting on Tuesday 6th June 2017.

What does a Parish Councillor do?

Parish Councillors work together to serve the community. They come from different backgrounds and bring a diverse range of skills. Teamwork is important as no individual councillor can act in isolation. Haddenham Parish Councillors are currently involved with:

- Planning – commenting on planning applications, supporting the Neighbourhood Plan, working with AVDC and developers
- Managing open spaces at Woodways, Sheerstock and Banks Park
- Providing and maintaining street lights, benches and dog waste bins
- Managing the Allotments, Community Orchard and Snakemoor Nature Reserve.
- Finance – budget setting, risk assessment and governance and accountability
- Fund raising and grant applications
- Organising events – Haddenham Fete, Public Consultations and the Annual Parish Meeting
- Communications – editing the village newsletter and managing the website
- Special projects – Heartbeat Haddenham, Townsend Community Orchard, Woodways Crossing, cycle paths, parking, new community facilities, new burial ground.

No specific skills are required, as enthusiasm and a willingness to work as a team to support your community are what is needed.

Parish Council Meetings

You will need to be available on Monday evenings to attend Parish Council meetings. The full Parish Council meets 11 times a year on the first Monday of every month except August. The Parish Council has six standing committees: Environment, Finance & General Purposes, Planning, Allotments, Personnel and Communications, plus sub-committees.

How to apply

If you would like to stand for election to the Parish Council please contact the Parish Clerk, Sue Gilbert, who will answer any questions you may have about becoming a Councillor and how to apply at haddenhampc@btconnect.com or (01844) 292411.

New village noticeboards

Three new noticeboards have been erected around the village – opposite the post office, opposite the library, and outside the entrance to Woodways playing fields.

Owned by the Parish Council, they publish community information for residents and visitors to Haddenham. Notices must:

- publicise activities and events or statutory public documents of non-profit, non-political organisations
- be posted no more than two weeks in advance of an event and removed immediately after the event has occurred
- publicise activities or events happening within Haddenham Parish and its immediate neighbours and be specifically relevant to the community
- be limited to a maximum size of **A4 (210mm x 297mm) or (8.27 x 11.69 inches)**
- be attached by the use of the magnets provided
- clearly state the name of the organisation issuing the notice
- include a summary in English if the main information is displayed in another language

To post a notice, please contact the Haddenham Parish Office on (01844) 292411 or email haddenhampc@btconnect.com. Please note that the Parish Council can remove any notice it considers inappropriate, and takes no responsibility for the misuse of this service or accuracy of notices.

Active Vale supporting women to get fit!

Funded by Sport England and run by AVDC, Active Vale assists women and girls to become more active by providing a range of fun and friendly activities with support from local partners.

Research shows that women aged 14-40 in particular struggle to achieve the recommended 3 x 30 minutes of exercise each week. Running for a year, Active Vale has helped many women become involved in activities including Nordic Walking, lunchtime high-intensity training sessions, netball, girls- or ladies-only swimming, beginner running with childcare and taster gym sessions. To discover more about Active Vale activities, go to www.aylesburyvaledc.gov.uk/active-vale.

FOCUS ON...Finance & General Purposes (F&GP)

F&GP manages the finances and the overall direction of the Parish Council. Each year, F&GP sets the budget and precept – the parish's portion of the Council Tax. The committee monitors spending against budgets, reviews best practice, policies and procedures, and as the village grows, anticipates future calls on services and resources. Currently these include becoming a burial authority and delivering a new burial ground; building and managing new sports and recreation facilities; a fresh approach to village maintenance; and shortly, responding to a new unitary authority, possibly taking on additional devolved services.

Fancy a spring clean?

AVDC provides a bulky waste collection service and collects up to three items for a flat fee of £75. Small electrical goods and textiles are picked up for free when you book a collection.

See www.aylesburyvaledc.gov.uk/bulkyitems

Quarterly update: Rt Hon John Bercow, MP for Buckingham and Speaker of the House of Commons

As I write this, my inaugural column for Haddenham Village News, Parliament is in Recess – but the work does not stop. MPs use the Recess for different purposes, but mine has been dominated by constituency work. Every day, I receive letters and emails from constituents on a variety of matters – from concerns about their housing situation and health problems to wider, national or international issues – most notably, Brexit and the unravelling situation in Syria.

While MPs have an important job as legislators, they also undertake significant constituency duties. Issues at the top of my agenda include East-West Rail and the perennial problems presented by High Speed 2. I am pressing Government Ministers and others to ensure my constituency, and its residents, get the best possible deal – and while every battle cannot be won, I will fight hard for North Buckinghamshire.

In the coming weeks, I will meet with the Chief Executive of Chiltern Railways for an update on rail services serving, among other places, Haddenham and Thame Parkway. Although Chiltern Railways fares well in customer satisfaction ratings compared to other train operators, I am not unfamiliar with concerns about delays and over-crowding and I will continue to press the organisation to find appropriate solutions.

I am delighted to note that 2017 marks the fifth anniversary of the Haddenham Community Library – a project which demonstrates the sheer strength and determination of the village. I am looking forward to marking this milestone later in the year with the library staff and volunteers and hopefully meeting with Haddenham Village News readers in the non-fiction section!

I wish you a happy, relaxing summer.

A fun-packed day out with Haddenham Summerfest 2017!

How time flies! It won't be long before Haddenham Summerfest opens its gates again, this year on Saturday 1st July. The venue, as usual, is Haddenham Junior School and we extend our grateful thanks for their continued support.

With a slightly later opening time of 12 noon, Summerfest 2017 looks to be another fabulous day out for the whole family with superb music, food, wine and, of course, lashings of beer!

With ales from local and many national breweries, we will have a dedicated Craft Ale Bar for the first time, so you can try some of the very popular new wave keg beers.

Pimm's, Prosecco and Gin Cocktails will be served, with soft drinks for youngsters and drivers. Artisan food stalls will be providing tasty goodies all day and there will be music until 8pm.

Tickets are on sale from www.summerfest.org.uk – be sure to look out for special offers!

Haddenham Age Concern Open Gardens and Allotments 2017

Come and enjoy the Open Gardens and Allotments from 2.00pm - 6.00pm on Sunday 25th June. With proceeds going towards Haddenham's elderly residents, you can visit eight enchanting gardens – from small to large, traditional to modern. New gardens are listed and the allotments team will show visitors the new cost - and water-saving, solar-powered borehole system.

To add colour and interest to your garden, visit our Tacks Lane plant stall, with its annuals and perennials, kindly donated or specially produced for the day. A roadside pop-up stall will also be running from May.

Delicious homemade refreshments, including cream teas and cakes, will be on sale at the Scout and Guide Centre in Banks Park, where you can rest your feet during your walkabout! You can also buy entrance tickets for the gardens and allotments (£5 for adults, free for escorted children), as well as maps, guides, parking and toilets.

For more information, please contact Graham Oliver or to discuss any plant donations you may like to make on (01844) 291785.

A new 'Whizzfizzing' take on the Roald Dahl Festival!

Saturday 1st July sees the Aylesbury Whizzfizzing Festival – formerly known as the Roald Dahl Festival – taking place. Featuring many of the author's favourite characters, the festival has been expanded to include children's stories from around the globe.

A celebration of children's literature with original artwork created by local children based on the theme of 'Fantastical Creatures', over 600 schoolchildren will participate in the Whizzfizzing Parade with samba bands, street performers and giant puppets. To hear all the latest, go to www.aylesburyvalecd.gov.uk/dahl

Summer fete: Volunteers and local organisations required!

This year's fete is on Saturday 10th June on Church End Green and Flint Street. Opened by ex-Spandau Ballet member Tony Hadley and with a Spitfire flypast, it allows the community to enjoy good food, a beer tent, and lots of games and activities. St Mary's Church will also be hosting a wedding dress display, and there will be a selection of open gardens to visit.

We are looking for local organisations, clubs, companies and interest groups to join in and run stalls. We also need volunteers to help on the day with setting up, selling programmes and manning the tea stall.

Anyone wishing to get involved should contact Tim Armit on 291720 or Haddenhamfete@aol.com.

Haddenham Lodge: Freemasonry in the Community

Haddenham Lodge is known for its fundraising activities and active presence at village events. As Freemasonry celebrates its 300th year, Haddenham Lodge – which meets at the Masonic Centre in Thame – is looking for younger members.

Founded in 1981 by 24 residents of Haddenham and surrounding villages, over half the current members live in Haddenham, often meeting each other around the village in the shops, churches, clubs and pubs (*not necessarily in that order!*)

This provides for a close-knit and friendly environment. Members talk freely with their friends about the Lodge, which promotes a better understanding of Freemasonry and keeps the village and local community at its heart. This is shown in the Lodge's emblem, which depicts a village pond and witchert wall; both symbolic of our village. Indeed, since its formation, Haddenham Lodge has raised tens of thousands of pounds for local causes.

For more information about Buckinghamshire Freemasonry, please see www.buckspgl.org. If you are particularly interested in Haddenham Lodge, please contact Steve Smirthwaite at: Hadd8944@gmail.com.

Tribute to Stewart Sloan, a local force for good!

Stewart Sloan, a former Haddenham School Governor and Parish and District Councillor, died aged 70 in March. Since moving to Haddenham in 1970, Stewart had made a huge contribution to the village, founding the successful holiday play-scheme, serving on the Horticultural Society and Village Hall committees, and helping to establish the Snakemoor Local Nature Reserve and the Haddenham Museum.

While Stewart began his career at the Aylesbury-based agricultural machinery manufacturer, New Holland, his subsequent "dream job" as a buyer for Bridge Oil Services Overseas regularly took him to Guinea, West Africa on various projects for a diamond mine. Although he later worked in purchasing both locally and in Saudi Arabia, his love of DIY led him to set up as a handyman, leaving a proud contribution of many new bathrooms and kitchens in homes around the Haddenham area!

Stewart's many interests included the restoration of canals, folk music, working on his allotment, and helping his children with their houses and passing on his significant DIY and gardening skills. Stewart also loved driving and showing his Triumph Spitfire, having first owned one in his early twenties.

Stewart is survived by his wife Gill, his three children, Christopher, Caroline and Robert, and his four grandchildren.

Haddenham Village Society – a key role!

The Haddenham Village Society – founded in 1965 – is playing a more important role today than ever before! With mounting pressure on Haddenham to absorb additional housing and light industry, the Society's role of organising social events and talks on Haddenham themes, supporting community groups, and making representations on planning applications and other issues affecting the village is key in this fast-changing environment.

The Village Society believes growth should not sacrifice the traditional village ethos and community spirit, and objects to development without a strategic plan or due regard for Haddenham's historic areas, many of which are in the Conservation Area.

The Haddenham Neighbourhood Plan's housing development chapter was struck out after litigation by an aggressive developer in 2016, despite villagers' official recognition, while the Vale of Aylesbury Local Plan is being re-written following new Government policy guidelines.

We may consequently require a revised Haddenham Neighbourhood Plan, particularly if we are included in the Oxford to Cambridge development area. The Society will contribute to the new plan, and would like villagers to participate. This will help ensure that as Haddenham expands, facilities are developed and improved and its traditional ethos and community spirit are sustained – it is vital this is done strategically.

To join, please contact Membership Secretary Brian Cole at JBColeUK@aol.com or at 7 Station Rd, Haddenham, HP17 8AN. Subscriptions are £25 per family for five years. For further information see villagesociety.org or haddenham.net.

Community Library looking to the future!

Now in its fifth year partnering with Bucks County Council, the Library is confident its current agreement will be extended. Plans are underway to celebrate our fifth anniversary this autumn with events involving illustrious figures from the literary and arts world.

Meanwhile, regular events – including Bridge Club meetings, knitting and spinning groups, Bounce and Rhyme, and craft and Lego clubs – ensure its continued appeal. Haddenham Village Society holds its monthly meetings while local artists and Rotary have regular displays. The library hosts a local food bank drop-in, while bookable sessions for assistance using computers and tablets are available. This forms part of our mission to be a community hub.

Community partnership – the agreement between Haddenham Screen and the community library continues apace. The library acts as the box office for the Screen and profits go to the library, with donations this year amounting to £2,750. Keep watching the films!

Thanks to the popularity of these events and the library's appeal as a venue for community activities, trustees plan to extend the building to provide a separate meeting room and a lavatory. A planning application will be submitted to AVDC this summer. Watch this space!

Calling all Scarecrow designers!

Following last year's successful Scarecrow Festival, the Haddenham Association of Scouts and Guides is challenging the village to create Scarecrows in all shapes and sizes. These will be displayed from Saturday 10th June until Sunday 25th June.

Anyone can create a Scarecrow: children, adults, families, schools, local shops, businesses, community groups, clubs and organisations. The Haddenham Scouting and Guiding units will be participating, and they hope many individuals and organisations will get creative and join in.

Scarecrows can be any shape or size, and made of any materials, but should all have a happy smiling face! Entrants must be willing to display them outside their premises 24 hours a day from 10th - 25th June. All designers will receive a special Certificate of Participation.

To register your interest and request an entry form please email scarecrowhaddenham.festival@gmail.com, or text 07554 141810 with your name and e-mail address. Please return completed forms by Friday 2nd June to 7 Dovecote, Haddenham HP17 8BP, with an optional voluntary contribution. These will be divided equally between the Haddenham Scout and Guide Association and Heads Together – a campaign coordinated by The Royal Foundation of The Duke and Duchess of Cambridge and Prince Harry to end stigma around mental health.

We will launch the 2017 Scarecrow Festival at the Haddenham Fete on 10th June. Scarecrow Trail maps will be available from the Scout and Guide Association's stall for a £1 donation. Please check haddenham.net in June for details of additional Trail map locations.

Haddafact: Infamous Haddenham Fields murderers hanged!

On October 25th 1828, Thame market gardener William Edden was murdered in Haddenham Fields returning home from Aylesbury market. Two local men – Benjamin Tyler and Solomon Sewell – were tried for his murder. The trial, which was reported in detail in *The Times* and the *Bucks Gazette* – involved 40 witnesses. In March 1830 they were found guilty and hanged in Aylesbury market square before a 3,000-strong crowd.

Public hangings were abolished following another notorious hanging in Aylesbury in 1845. The Haddenham Fields case is described in full detail in a booklet published by the Haddenham Museum. Read about the wider issue of capital punishment in *The Haddenham Chronicles* no 15.

Scamming: an update

Following our update in our February issue, scams remain an ongoing problem. There are many different types of scams, including online fraud and identity theft. To protect yourself, follow the following advice:

- Never give any personal information out before verifying credentials
- Many scams start with a phishing email (*an attempt to acquire sensitive information*). Banks and financial institutions will never send you an email asking you to confirm your bank details.
- Destroy receipts with your card details on, and post with your name and address.
- Ensure up-to-date anti-virus software and a firewall is installed on your computer, and your browser has the highest level of security notification and monitoring to prevent malware issues.
- Act immediately if you receive bills, invoices or receipts for things you haven't bought or financial institutions you don't normally deal with contacting you about outstanding debts.
- Regularly check your credit file for entries you don't recognize.
- Be wary of post, phone calls or emails offering you business deals. If an offer seems too good to be true, it probably is. Always question it.
- If you have been a victim of fraud, be aware of fraud recovery fraud (*where fraudsters pretend to help you recover your money*).

For more information, or if you have been targeted, please see www.friendsagainstscams.org.uk or call the Citizens Advice Consumer Helpline on 03454 04 05 06.
