

# Haddenham Village News

September 2017  
Issue No.92

*Published quarterly by the Parish Council and delivered to every house in the village.*

## Your Parish Council needs you!!

When you pay your Council Tax, a proportion of that money goes to the Parish Council so that we can deliver services locally to Haddenham residents. As Parish Councillors we help decide how that money is spent. We also try to influence other matters that affect Haddenham, but over which we have no direct control, such as planning or parking, by working with the District and County Councils.

In order to be a Parish Councillor you must live or work in Haddenham – and to be a good Parish Councillor you will need to attend our Parish Council meetings (*first Monday of each month*) as well as get involved in one (*or more!*) of our sub-committees (*which meet on other Mondays of the month*).

Depending on your specific skills or interests you may wish to get involved with:

**Planning** – commenting on planning applications and the Neighbourhood plan (*see more later*)

**Environment** – making sure the village is well-maintained including street lighting, care of common areas, keeping paths clear, and developing play and leisure facilities

**Communications** – ensuring all Haddenham residents are aware of what's going in the village, what the Parish Council is doing for you, and making sure we get your feedback and comments on what is happening in the village

**Finance & General Purposes** – considering specific proposals for how the money received by the Parish Council is spent, balancing all the various interests and needs of all our residents

### Artists & Makers Fairs 2017

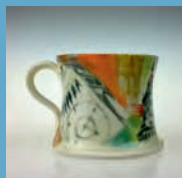

**Thame Town Hall,  
OX9 3DP**

21st October,  
18th November and  
2nd December

01844 273069 [sllyevan@aol.com](mailto:sllyevan@aol.com)

Additionally, we are responsible for the allotments, the open spaces at Banks Park, Sheerstock and Woodways, the new burial ground, the Community Orchard and Snakemoor Nature Reserve.

People come to live in Haddenham because it's a friendly and vibrant place to live – but it requires enthusiastic and committed residents to help develop the village, whilst ensuring that the unique character of the village is not lost, especially as building work continues in the coming years.

There are currently two vacancies on the Parish Council and we welcome applications from people of all ages and all backgrounds – we really want to ensure that the Parish Council is representative of the residents we serve!

Contact Sue Gilbert on [haddenhampc@btconnect.com](mailto:haddenhampc@btconnect.com) or (01844) 292411 if you have any questions about the role – or simply download the application form from this page on the Parish Council website <http://www.haddenham-bucks-pc.gov.uk/parish-council/elections>

## Carrie carrying more!

The committee and drivers of the Haddenham Community Vehicle (HCV) met in the Community Library in August to review progress. The vehicle, "Carrie", provides a free local service to those having difficulty using public transport or cars. Since the launch of the service in October 2015, Carrie has covered 11,700 miles carrying around 40 clients to visit shops, relatives, clinics, hospitals – and even the hairdresser. In the preceding quarter, 168 journeys were logged.

As the service expands, more drivers are needed. The Chair, Dr Hugh Stradling, was pleased to report that six more drivers have been recruited and trained in the past year, but more are always welcome, particularly to cover holiday periods. Drivers commented on the enthusiastic feedback from all those using the service and Sue Peck thanked the committee for providing such a valuable resource for our community.

Anybody who might benefit from the service for social or medical journeys should speak with the co-ordinator, Sue Brigham. Rides in Carrie, social or medical, need to be booked in advance through Sue and we also welcome interest from potential new drivers. Please call 07495 366779 or email at [haddenhamcv@gmail.com](mailto:haddenhamcv@gmail.com).

## Haddenham Community Vehicle

**Enabling Travel for All**

### *Free local travel for the disabled.*

If you have difficulty accessing public or private transport, there is now a free local service which could help you. Our specially adapted vehicle can carry up to two wheelchair passengers, with easy assisted access and safe door-to-door travel alongside our trained drivers. We can help with visits to relatives, shops or hairdressers, as well as to clinics and hospitals.

To find out more, to book a journey in "Carrie", or to help by joining our team of drivers, please contact our coordinator on 07495 366779 or email us at [haddenhamcv@gmail.com](mailto:haddenhamcv@gmail.com)

*The service is free of charge to clients living in Haddenham and surrounding villages.*

*Journeys must be booked in advance.*

Cormac O'Malley (Harmonix Construction), Mrs Karen Collett (Head teacher), Esme Finnegan, Sofia Eyles, Mia Johnson, Mrs Tracy Brown (Teaching Assistant) James Turner (DAF Trucks)

At the site for the new DAF

Mrs Tracy Brown, Sofia Eyles, Esme Finnegan, Mia Johnson, Mrs Karen Collett

## Harmonix Hoarding Competition

Headquarters, Harmonix Construction asked local school St Mary's CE to participate in an art competition to draw their best DAF truck. With such a high standard of drawings the Harmonix site team really had a hard time choosing the top three to be displayed on the site hoarding.

The young artists of the winning drawings now displayed for all to see on the site hoarding were **Sofia Eyles in 1st Place**, **Esme Finnegan in 2nd Place** and **Mia Johnson in 3rd Place**.

Along with Head Teacher Mrs Karen Collett And Teaching Assistant Mrs Tracy Brown the girls paid a visit to site to see the displayed art and check out the truck that James Turner of DAF Trucks brought down to site especially for the visit.

## Haddenham Community Library

### IT'S PARTY TIME

## 5th Birthday Celebrations - Programme of Events

Since it was established in November 2012, in response to Buckinghamshire County Council's decision to reduce the number of County managed libraries, we became Haddenham Community Library. We have been providing Haddenham and surrounding villages not only with traditional library services but also an ever increasing number of community based activities. As a way of celebrating its Fifth Birthday, the library Trustees, staff and volunteers invite you to come along to the library in November and enjoy a programme of events chosen to appeal to both our younger and more mature customers.

Remember, you don't have to be a member of the library to attend these events.

Saturday November 4th at 11.00am **Read and Draw with Korky Paul** (*Illustrator of Winnie the Witch books*) Suitable for children aged 5 to 11yrs **FREE EVENT**

Thursday November 16th at 10.30am **Brunch with Bruce** - a selection of readings by actor Bruce Alexander (*ITV's Touch of Frost - Supt Mullett*) **FREE EVENT**

Saturday November 18th at 11.00am **Steve Cole live!** (*Author of Astrosaurs and Cows in Action*) Suitable for children aged 6 to 12 yrs **FREE EVENT**

Wednesday November 22nd at 7.00pm **Cocktails and Crime with Claire Mackintosh** - thriller/crime writer. **Tickets £5.00 available from library only**

Saturday November 25th between 2.00pm – 4.00pm **Order! Order! Order! – Afternoon Tea with the Speaker the Rt. Hon John Bercow MP.** **FREE EVENT**

You can find out more details about the individual events by visiting our website [www.haddenhamcommunitylibrary.org.uk](http://www.haddenhamcommunitylibrary.org.uk) or by calling into the library and picking up a brochure or telephoning 08452303232.

Please come and help us celebrate our birthday, we promise there will be balloons, a birthday cake and other delights to make it a real party!

## Townsend Community Orchard

### One of the most secret places in Haddenham?

Townsend Community orchard ([www.townsendorchard.com](http://www.townsendorchard.com))

has blossomed well this year with virtually all the trees surviving and some bearing fruit this year: we hope that many more will bear next year. There were a few delicious 'Merryweather' plums – are these the only ones in the village?

Wildflowers gave another lovely display this year throughout June and July, especially Ox-eye Daisies and Greater Knapweed. Lots of butterflies are feeding off these nectar rich plants. The wildflowers and grasses made a lovely backdrop for the community picnic in June. We cut new interlinking footpaths through the meadow this year so people could see the wildflowers and trees better. Last year the Cow parsley went wild before we could keep it in check so this year dug out substantial amounts of it to limit its spread and stop it coming too dominant.

We work closely with Aspire, the council's maintenance contractor who mow the paths through the orchard, and are also very grateful to Dave Watkins from the Cuttlebrook Nature Reserve volunteer team who very kindly lent us the auto-scythe to cut down the meadow grass in the orchard, helping to ensure all the grass was cut in one day!

We have dedicated team of volunteers who help maintain the orchard grounds and care for the trees. 8-10 people on average meet once a month to share practical tasks - if anyone is interested in joining in please contact us on [communityorchard.haddenham@gmail.com](mailto:communityorchard.haddenham@gmail.com)

The Orchard group, a sub-committee of the Parish Council, has worked hard to develop a design for an information board, log benches and signage for the orchard and by the time you read this it should all be in place in the orchard. The open area with log benches is intended for picnics and for people to relax. The parish council makes this space available

to school/community groups to use, though please confirm permission for use from the Parish Clerk on [haddenhampc@btconnect.com](mailto:haddenhampc@btconnect.com).

Events this year have included the Easter Egg hunt (over 30 children scoured the orchard for chocolate eggs!) and the Orchard Picnic in June was well attended. Events planned include:

Saturday 21st October: National Apple Day

Saturday 6th December: Haddenham Mummers will hopefully perform in the orchard en route to Haddenham Winterfest.

As always, look out for further information on [Haddenham.net](http://Haddenham.net), social media and posters around the village.

### How to access Townsend Community Orchard

## Haddenham Medical Centre September 2017

### Flu season is upon us

Haddenham Medical Centre will be holding  
Adult Flu clinics as follows:

**Saturday 16th September 2017** –  
clinics also bookable online - **Now fully booked**

**Monday to Friday from 18th September 2017** with our  
nursing team – appointments also bookable online

**Saturday 30th September 2017** –  
clinics also bookable online

The adult patients eligible for a free flu vaccination are  
as follows:-

#### 65 and overs and the flu jab

You are eligible for the flu vaccine this year (2017-18)  
if you will be aged 65 and over on March 31st 2018 –  
that is, you were born on or before March 31st 1953.  
So, if you are currently 64 but will be 65 on March  
31st 2018, you do qualify.

**Anyone with a serious long-term health condition,  
including:**

- chronic (*long-term*) respiratory diseases, such as asthma (*which requires an inhaled or tablet steroid treatment, or has led to hospital admission in the past*), chronic obstructive pulmonary disease (COPD), emphysema or bronchitis
- chronic heart disease, such as heart failure
- chronic kidney disease
- chronic liver disease, such as hepatitis
- chronic neurological conditions, such as Parkinson's disease, motor neurone disease or multiple sclerosis (MS)
- diabetes
- problems with your spleen – for example, sickle cell disease or if you have had your spleen removed
- a weakened immune system as the result of conditions such as HIV and AIDS, or medication such as steroid tablets or chemotherapy
- being seriously overweight (BMI of 40 or above)

#### Pregnant

If you're pregnant, you're advised to have the  
injectable flu vaccine, regardless of the stage of  
pregnancy you've reached.

#### Carers

If you receive a carer's allowance, or you are the main  
carer for an elderly or disabled person whose welfare  
may be at risk if you fall ill.

## Did you know? AVDC's 'My Account'

Over 30,000 users have signed up to AVDC's online  
customer account, 'My Account'. You can use this to  
pay/view your council tax, order new/replacement  
bins, manage your details and much more. On  
average it costs 0.17p per website visit to resolve a  
query, compared to £5 per telephone call and £14 for  
a face-to-face visit.

See [www.aylesburyvaldedc.gov.uk/myaccount](http://www.aylesburyvaldedc.gov.uk/myaccount)

## Children flu clinics – due October 2017 date to be confirmed

Children who are eligible to have the flu vaccine at the  
GP surgery are:-

It is the child's age on the 31st August 2017 that  
defines their eligibility

- two and three year-olds (*but not four years or older on 31st August 2017*) will be vaccinated by general practice

Children aged two and three years old will be given  
the vaccination at their general practice usually by the  
practice nurse.

Children in reception class and school years 1, 2,3 and 4  
will have the vaccination in school. We are not able to  
vaccinate Reception Year (*children aged 4-5 years*) as they  
will now be offered flu vaccination in their reception class.

**Children with certain health conditions, even if well  
managed, are at higher risk of severe complications if  
they get flu. It is therefore especially important that  
these children are vaccinated. These conditions include:**

- serious breathing problems, for example, severe asthma needing regular inhaled or oral steroids
- serious heart conditions
- severe kidney or liver disease
- diabetes
- immunosuppression due to disease or treatment, for example, chemotherapy or radiotherapy treatment for cancer or long-term steroid use, and
- problems with the spleen, either because the spleen has been removed (*asplenia*) or doesn't work properly, for example, because of sickle cell or coeliac disease.

Your GP may also recommend that your child is  
vaccinated against flu if they have a condition that  
affects the nervous system such as cerebral palsy.

**If your child has any health condition listed above but  
is not offered the vaccine in school, it is important  
that you contact your GP to arrange an appointment.**

## FOCUS ON ... Environment

Over the last few months the Environment Committee  
has considered a number of issues which we hope  
make the village a nicer place to live! There has been  
continued work on street lighting to ensure that posts  
and the lights themselves are in good working  
condition, replacing them where necessary.

Following a survey of parents and schools to establish  
what improvements would be most welcomed by our  
little residents, we have discussed enhancing the  
playground areas across the village with the installation  
of new equipment to suit children of different ages. We  
have also considered the more mundane issues of new  
litter bins, play equipment inspections and tree surveys.

Work on maintaining the BMX track has been completed,  
and whilst the major work was funded by the Parish  
Council we are extremely grateful to all the volunteers  
who got together to actually initiate the project.

Feedback on our new grounds maintenance contractors,  
Aspire, has been entirely positive. Feedback on the  
contractors who maintain the roadside verges has been  
less positive and we continue to discuss ways to  
improve this aspect of village appearance.

## Consultations

Whilst the Parish Council endeavours to consider all consultations which are issued by Buckinghamshire County Council or Aylesbury Vale District Council, and respond where appropriate, we also think it's important for local residents to take the opportunity to share their personal views on proposals that are being made which could affect the village and its residents. Here's a few that might interest you:

**Draft Transport Management Development Policy:** this policy is intended provide developers with the information they need to prepare successful development proposals in Buckinghamshire.

This includes:

- The information the Council requires for different types and sizes of development.
- How new developments can meet transport and highway requirements.
- How the Council considers developments' transport impacts.
- Here is the link to the proposals <http://tinyurl.com/ya4plpdd> and responses are required by 25 September.

**Minerals & Waste Local Plan:** this is a monster document, although a quick read identifies some challenging materials, for example around "the exploration and appraisal of oil and gas" (*including shale gas*) in areas like Haddenham which are outside the Green Belt and the Chilterns Area of Outstanding Natural Beauty. The link to the main document is here <http://tinyurl.com/y8zgggod> and responses are required by 27th September.

**Vale of Aylesbury Local Plan:** the draft revised plan is not yet available but is expected by the end of September or early October – please look out on Haddenham.net for more information when the document is issued. There will be a 6 week consultation period which is likely to be sometime through October and November before the final plan is submitted to the Planning Inspectorate in January 2018. It may be good news that where considering planning applications a "capacity-based approach" will be used for allocating development to "suitable sites in sustainable locations". Clearly much will depend on what these phrases actually mean in practice!

## Street naming suggestions invited

Aylesbury Vale District Council has recently notified the Parish Council that 13 street names are required for the new Cala Homes development, Aspen Park, off Pegasus Way.

Many thanks are due to those who have already contributed some great ideas based on the history of the airfield, individuals who developed the site and firms who were associated with the airfield and its development over the years.

However, we are sure Haddenham residents young and old alike will be able to come up with many more ideas for themes, or specific street names. If you have any suggestions for potential street names, perhaps associated with the airfield, or perhaps following a different theme, email [haddenhampc@btconnect.com](mailto:haddenhampc@btconnect.com)

## Community Speedwatch

We will shortly be taking ownership of the Sentinel Speedwatch camera. A number of residents have already volunteered to assist with the use of the camera, but if you are interested in joining them please get in touch with Sue Gilbert on [haddenhampc@btconnect.com](mailto:haddenhampc@btconnect.com) who can organise training for you.

Locations where the camera will be used have not yet been agreed, but if you have any suggestions for areas where you are aware of speeding and where the camera could be of most value for delivering safer roads in Haddenham then again, please email Sue with your suggestions. Note that the camera cannot be placed just anywhere, and the way that it works means that there are some conditions which the locations must meet, and which the local police must approve before use.

Anyone caught speeding by the Sentinel will receive a letter from Thames Valley Police noting the incident and reminding the driver of the speed limits. If a driver receives three such letters they can be used as evidence for a prosecution if the police catch the driver on a fourth occasion.

## Newsletter Survey

The Parish Council is carrying out a review of the way it communicates with residents. To help us improve our communications we would be grateful if you could spend a few minutes answering this short questionnaire.

Currently the newsletter is produced quarterly and delivered to every house in the village by a group of volunteers. We are considering reducing the size of the publication and increasing the frequency to monthly. We also think that many residents may prefer to receive the newsletter electronically. As the village grows it is likely to be more difficult to distribute hard copies to every household so we are considering reducing the number of hard copies and making them available for residents to pick up from various public places.

*Do you regularly read the Village newsletter?* ☐ yes ☐ no

*Should the frequency be changed to monthly?* ☐ yes ☐ no

*If the newsletter was available online would you be happy to access it in that way?* ☐ yes ☐ no

*Would you like the newsletter to be sent to you by email rather than hardcopy?* ☐ yes ☐ no

*Would you be happy to collect a hard copy from a local public place?* ☐ yes ☐ no

*Would you still need to have a copy delivered to your home as you are unable to collect one?* ☐ yes ☐ no

*What is your age?* ☐ <18 ☐ 18 - 30 ☐ 31 - 45 ☐ 46 - 65 ☐ 66 - 80 ☐ >80

Please return your completed survey to:  
Haddenham Parish Council, Parish Council Office,  
Banks Park, Banks Road, haddenham HP17 8EE

The survey can be downloaded from [haddenham-bucks-pc.gov.uk](http://haddenham-bucks-pc.gov.uk) and emailed to [haddenhampc@btconnect.com](mailto:haddenhampc@btconnect.com)

## Street Lights

### Retirement of Street Light Warden

The Parish Council would like to thank Roger Hannaford for his years of dedicated work as the Street Light Warden for the village. Roger has decided it's time to retire from the role and his assistance with the reporting of lights out and liaising with the contractor on behalf of the Parish Council will be missed.

### If it's out report it

The Parish Council is responsible for over 200 street lights in the village and has been pro-actively carrying out repairs and replacements over the last few months to try and minimise outages. When a light fails we will often not be aware unless a resident reports it to us as it is impossible to monitor all 200 lights. As we move into autumn and the nights are drawing in it is the time of year that you may notice a light near to where you live is out. Please don't assume we know about it and help us by reporting all outages to the Parish Office: 01844 292411 [haddenhampc@btconnect.com](mailto:haddenhampc@btconnect.com)

## A close second

Haddenham once again entered the Buckinghamshire Best Kept Village Competition, and this year was pipped to the post by Chalfont St. Peter.

Our score improved over last year, but there's still room for improvement when it comes to entering again in 2018! We scored very highly for the common green areas and children's playing facilities, as well as for tidiness around the shop and pub areas of the village. It was suggested that we could do a little more to keep the churchyard tidy and easier to mow, and that bus shelters could do with a clean and a sweep up. Sadly, we only scored 5 out of 10 for our nature conservation area, Snakemoor, with the assessment commenting on animal mess in evidence and suggesting that a new dog bin may be required on the site (see *Neighbours, everybody needs good neighbours* article opposite).

## Haddenham Educational Charity Grants

Haddenham Parish Council is the Trustee of Haddenham Educational Charity which was set up from the Old British School Charity when the Old British School was sold. Each year the Council awards small sums of money to students in the village who need help towards the purchase of books or equipment for their education.

As now is the time when many students are about to head off to University it is time to get your applications in. The closing date for applications is 30th September 2017. The Council will review the applications during October and awards will be made in early November.

If you would like to apply for a grant an application form can be found on the Charitable Trusts section of the Haddenham Parish Council website [www.haddenham-bucks-pc.gov.uk](http://www.haddenham-bucks-pc.gov.uk) or you can contact the Clerk by email [haddenhampc@btconnect.com](mailto:haddenhampc@btconnect.com) or phone 01844 292411

## Neighbours, everybody needs good neighbours

As our Best Kept Village assessment noted there are some areas where the Parish Council does not have responsibility and where we invite everyone in Haddenham to ensure they make life as pleasant as possible for all village residents.

**Parking:** we still await the second phase of the parking control consultations, in which local residents who will be directly affected by further traffic control measures will be consulted over the various options. In the meantime we realise that in some cases the parking problems have simply moved further away from the station. However, we would remind you that obstructing the roads is not a solution to the problem.

**Dog mess:** in spite of many bins being placed around the village the Parish Council offices regularly receives reports of dog mess around the village. Whether you are a full time dog owner, dog-sitting for friends, or dog-walking to earn some pocket money please pick up after your pooch. This applies to front gardens, shared green spaces such as the Community Orchard and Sheerstock, as well as to public footpaths (including those alongside Station Road and Pegasus Way) and Snakemoor.

**Footpaths:** some of our footpaths are narrow enough without pedestrians, some of whom are elderly, using mobility devices, or partially sighted, having to negotiate hedge, trees, plants and other exuberant planting. Please take a look at your boundaries and where greenery is encroaching on the footpaths please be a good neighbour and trim back the excess to ensure that access throughout the village is made as easy as possible, especially for those who already find it more difficult than others.

## Councillors

The Parish Council was very sad to say goodbye to Gerry Weetman who has been a Parish Councillor since June 2016. During his time on the Parish Council Gerry has served on the Planning and Finance & General Purposes Committees, where his sensible and thoughtful contributions have been valued. Gerry has just started a new job that will be taking up a lot of his time, so we wish him well in his new position.

We would like to welcome Gill Bedding who joined the Parish Council in June, having moved to the village in September 2015 from Hampshire to take up a role with Defaqto, based on Haddenham Business Park. She has not yet decided which of the sub-committees to focus her attentions on, but an early involvement in the production of this edition of the Village News may provide a clue! In deciding to get involved on the Parish Council Gill is keen to ensure that the views of all residents of the village, young and old, long-standing or new arrivals, are represented and to work with the other Councillors to enhance village life without losing its special atmosphere, which is why the village is so attractive in the first place.
