

Haddenham Village News

November 2017
Issue No.93

Published quarterly by the Parish Council and delivered to every house in the village.

VALP UPDATE: NEW SETTLEMENT POSTPONED – FOR NOW

AVDC have published the latest draft of the Vale of Aylesbury Local Plan (VALP) for a final round of consultation before the Plan is sent to the Government's planning inspector for examination in public (EIP) early in 2018. VALP sets out development and land use proposals for the period 2013-2033, so is already late. VALP includes the assessment of population, housing and employment needs not only within the District, but also overspill needs from neighbouring Districts as required under the "duty to cooperate".

What does the latest draft say?

- The overall number of new homes to be built across the Vale in the period 2013-2033 is 28,830 (down from 33,000 in the 2016 consultation). The new figure includes 8,000 homes to help Chiltern, South Bucks and Wycombe District Councils under the duty to cooperate.
- 75% of new homes will be in the 5 strategic settlements, with 1,050 in Haddenham on the 3 sites above, plus smaller developments at Dollicott and Stanbridge Rd (about half of the total Vale-wide need has already translated into site approvals).
- The new settlement proposal of 4,500 homes in or near Haddenham is no longer in the Plan. **BUT** AVDC says it expects a new settlement to form part of an early review of the Plan, which could be as soon as 2 years after adoption.

The story so far: 2014

- 1st version of Plan thrown out by EIP inspector, mainly for insufficient housing growth and failing on "duty to cooperate".
- This draft had 100 new homes in Haddenham.
- AVDC returns to the drawing board and re-starts entire process.

2015

- "Issues & Options" consultation stage shows Haddenham as a "strategic settlement" (along with Aylesbury, Buckingham, Wendover and Winslow) getting 50% growth of about 1000 homes.
- The Parish Council (PC) submitted detailed objection to strategic settlement status.

VALP UPDATE: NEW SETTLEMENT POSTPONED – FOR NOW

2016

- Draft issued for public consultation still shows Haddenham as a “strategic settlement” with 1050 new homes (*mostly on 3 large sites Aston Rd, Airfield, Churchway*) AND is first choice for a new settlement of at least 4,500 homes, with more in later years.
- The PC organised a public meeting attended by 200 villagers, distributed two newsletters to all households, and submitted a detailed 9 page response.
- Outline planning permission granted for both Airfield and Aston Rd sites (*the latter following public inquiry defended by the PC*).
- Neighbourhood Plan’s housing chapter quashed at judicial review brought by hostile developer and not defended by AVDC.

2017

- Final draft issued prior to EIP in 2018, followed by any modification and formal adoption in late 2018.

Why is early review likely?

- Government is proposing a new national method of calculating housing need which in Aylesbury Vale could mean a 55% uplift to the current figure.
- Government is proposing a new delivery test to ensure Councils and developers actually deliver on site.

- The broadly-defined Oxford to Cambridge corridor, including Milton Keynes and much of Buckinghamshire, is seen as a major economic and housing growth area, not least by the new National Infrastructure Commission (NIC). The NIC has already stated its preference for major growth at Haddenham & Thame, and at Winslow. The NIC recently shortlisted 4 consortia to prepare concept growth proposals for the Oxford-Cambridge corridor. Their ideas can be seen with videos on the NIC web-site; one video in particular imagines a future for Haddenham & Thame through to 2055. Although only concepts, they do show the pressure for development in our area and current thinking. Watch this space.

What is the current consultation about?

- The Plan is open for public comment from 2nd November to 14th December
- At this stage, comments should focus only on soundness and legal compliance (*ie that due process has been followed*)
- Comments will be collated and passed directly to the EIP inspector (*rather than used to modify the draft Plan*)
- There is an on-line portal and process for making comments with guidance

Member of our 25th Birthday Celebration

Haddenham Community Library
is delighted to invite you to take

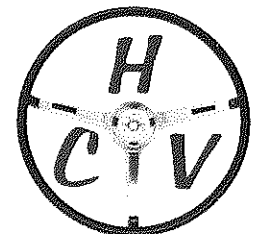

Tea with THE SPEAKER

In Haddenham Community Library on Saturday November 25th from 3.00 pm until 4.15 pm

Come along to the library and enjoy a free cup of tea and a scone with the **Rt Hon John Bercow MP**, Speaker of the House of Commons.

After a short talk on his life in politics there will be an opportunity to ask him questions. John has represented Buckinghamshire since 1997. He was elected as Speaker to the House of Commons in June 2009

Take this opportunity to meet your MP face to face. He has been a supporter of your library since its beginning.

Haddenham Community Vehicle

Enabling Travel for All

Free local travel for the disabled.

If you have difficulty accessing public or private transport, there is now a free local service which could help you. Our specially adapted vehicle can carry up to two wheelchair passengers, with easy assisted access and safe door-to-door travel alongside our trained drivers. We can help with visits to relatives, shops or hairdressers, as well as to clinics and hospitals.

To find out more, to book a journey in “Carrie”, or to help by joining our team of drivers, please contact our coordinator on 07495 366779 or email us at haddenhamcv@gmail.com

The service is free of charge to clients living in Haddenham and surrounding villages.

Journeys must be booked in advance.

Do you Walk or Cycle?

Haddenham Safe Walking & Cycling Group has been working hard on your behalf in 2017 to improve conditions on our country footpaths and to provide cycleways which can be used by wheelchairs, buggies, young children and pedestrians.

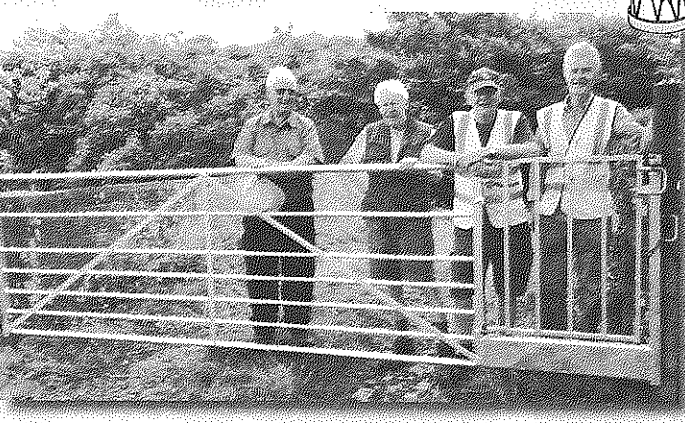

WALKING: We have replaced 5 stiles with kissing gates on the footpath to Chearsley from the airfield. One farmer has spurned our offer of a free gate to replace his stile on the A418. The stile has now gone but instead he has wired up an old farm gate which requires athletic prowess to scale. BCC have requested him to put in a new stile. On the path to Thame via Kingsey, another daunting gate has been replaced by a special field gate, which can be locked closed, but has a self-latching pedestrian gate embedded within it. It proved very difficult to install but all problems were overcome by Bill Piers who had to get a bespoke galvanised spacer/adaptor. This gate has been paid for by donation from the Ramblers, OCC, the Clark family and Andrew Gordon.

Lands Improvement have paid for more signs on the permissive path on the airfield and David Eining Contracting, of Thame, have generously given more than £600 for new signs for all the footpaths between Haddenham and Thame. Delivery expected soon. We are trying to complete the Round Haddenham Circular Walk and only 400m is now missing.

Jim Robinson has taken over from Peter Gulland as our local 'path checker'. He keeps an eye on damaged gates & stiles which stop us using the footpaths, ploughed up paths and any other path problems in the area around Haddenham. **He needs your help.** If you discover a problem, first, take a photo of it and then click on:

<http://transportforbucks.net/report-it-prow.aspx>. (The online system makes it easy for you to identify the path number; it appears automatically when you click on the site of your discovery.) Then you can upload your photo. Credit is due to Jim, Brian Bowman and Bill Piers in particular, for their work on walking improvements.

CYCLING: the procedure to get the Cycleway to Thame is moving at its usual glacial pace. Both OCC & BCC have together funded Sustrans to contact all landowners on the potential route via Thame Road and the A418. Only after this is completed, (perhaps by Christmas) can the route be planned in detail, yet another feasibility study be done by Transport for Bucks (expensive) and official consultations begin. Don't hold your breath, but we will not let this one go. I would like to thank all members of the Group for their help and support. Cynthia Floud, Chair, Haddenham Safe Walking & Cycling Group

New Haddenham U3A Interest Group

Haddenham U3A ("University of the Third Age") continues to attract more interest - membership has now grown to over 400! Formed in 2001 and part of a network of over 1000 branches across the UK, Haddenham U3A offers a wide range of social and learning opportunities to retired and semi-retired people.

Membership, just £16 annually, gives access to monthly lectures and over thirty interest groups meeting regularly. These include

- Activities - walking, cycling, Tai Chi, golf, dance
- Study - language classes, ecology, local history
- Hobbies - photography, gardening, wine tasting
- Arts - opera, film, music appreciation, book groups
- Visits - theatre, industrial sites, UK and overseas holidays

Now, a new group, "Out with Friends" is proving extremely popular and it seems to be meeting a very real need within our community.

Specifically set up for members who are on their own and who want to socialize, the group aims to enable members to meet and share interests with others, enjoying events, outings and visits together in small or larger groups.

The more established "Technical" group appeals to those with interests in engineering, industry, transport, science and technology. Destinations for recent visits have included the BMW Mini plant, Docklands Light Railway HQ, the London Bridge station rebuild and the Hydraulics Research Laboratory. New group members are always welcome.

Those joining can immediately participate in these, or any of the other interest groups.

Full details of membership and all other aspects of Haddenham U3A can be found at

www.bucksvoice.net/u3ahaddenham/joining-u3a or contact Chris Collins, U3A Membership Secretary on 01844 291909 or email membership@haddenhamu3a.co.uk.

Allotment News: Mini-Plots

Over the last few months a number of people have asked about small plots. We recognise that for many people a 5-pole plot (125 square metres) is a lot to manage, or they have never had an allotment and just want to try one. So, we are going to try offering mini-allotments. The plots will be approximately 5 metres by 2 metres. We hope to have them up and ready for planting in the Spring. The price will be £9.00 per year.

If people take on a mini-plot, but later want a larger one, they can have one as it becomes available.

If you are interested in a mini-plot, could you let me know as we need to have an idea of how many to prepare.

Hoping that as many people as possible can get enjoyment from allotments.

Alison Watt (secretary to the Haddenham Allotments) haddenhamallotments@hotmail.com

Haddenham Medical Centre Winter 2017

Travel Clinic

We remain challenged by the national shortage of travel vaccine for Hepatitis A, Hepatitis B, Diphtheria, Tetanus, Polio and Pneumococcal.

This is a national problem and we do not currently have any information as to when these vaccines will become available. Therefore we are unable to offer a comprehensive travel clinic.

We will offer telephone appointments to discuss travel vaccinations with Jenny Pullen on a Tuesday; Jenny can then discuss your travel plans and advise you on what you need.

Community Orchard

The Community Orchard was officially opened on Saturday 21st October. You may not be aware that the area was the residue of the Farrar Bell field which was given

to the Parish Council by Rectory Homes when a planning application for it to be used for additional properties was refused. A consensus amongst the villagers in 2014 came down in favour of the area to be used as a community orchard.

The layout was based on old varieties of fruit ripening early-to-late over an extended period, so that the fruit can be enjoyed over several months of the year. In addition, the fruit trees planted in columns were designed to be self-pollinating.

Bringing this project to fruition (!) has required the hard work of a number of people, whose contributions were noted on the day, and including our own Parish Clerk, Sue Gilbert. We hope that residents of Haddenham, young and old will enjoy this delightful new facility *(and its output in due course!)*.

Did you know? AVDC's 'My Account'

Over 30,000 users have signed up to AVDC's online customer account, 'My Account'. You can use this to pay/view your council tax, order new/replacement bins, manage your details and much more. On average it costs 0.17p per website visit to resolve a query, compared to £5 per telephone call and £14 for a face-to-face visit.

Haddenham Methodist Church:

Haddenham Methodist Church in the High Street will be holding its Christmas Carol Service at 3.30pm on Sunday 17th December. We always enjoy a good sing so do come along and join us.

Our service on Christmas Eve is at 10.15am will be taken by our minister Rev. Dr Romilly Micklam followed by mince pies and coffee/tea and fellowship.

On Christmas day we will join our friends at the Baptist Church at 10.15am or at Christchurch, Thame at 10.30am.

Haddenham Baptist Church:

Our services are as follows

Sun 17th	10.15am	Family Service led by the Sunday school adults and children
Fri 22nd	3.00pm	Messy Christmas at Baptist Church
Sun 24th	10.15am	Christmas Eve Worship
Sun 24th	6.15pm	Carols by Candlelight
Sun 24th	11.30pm	Holy Communion
Mon 25th	9.30am	Christmas morning worship

Haddenham Village Society

The Haddenham Village Society hosts a range of events, ranging from public meetings offering talks and presentations of interest to local residents, to escorted field path walks, themed concerts and fundraising dinners. The Society also organises outings & excursions, runs fund-raising events, supports community & activity groups and makes representations on planning applications and other issues affecting your village.

Forthcoming events include:

Saturday 2nd December. Witchert Chorale Concert – From Venice to Ipanema – 7:30pm St Mary's Church Haddenham

Wednesday 17th January. Annual General Meeting. The Chairman, Secretary and Treasurer of the Village Society will review the year's activities and future concerns. David Truesdale (*Chairman of the Haddenham Parish Council*) will discuss those planning and other issues, which will be of general interest to residents of the village.

Wednesday 21st February – Gay Beattie – "Wild Flowers of Buckinghamshire"

Following the very successful lecture last year on Haddenham Birdlife it was decided to have a lecture on the wild flowers which are prominent in this area of the county. There will also be a guided walk later in the year to locate and identify interesting wild flowers in the village surroundings. Children welcome.

Haddenham Wassail

The time around 12th night (*after Christmas*) is when our fruit trees and gardens are at their most barren and stores of last year's harvest are getting used up. This is when we look forward to the spring, new life and fresh food from our gardens. This is also a time when enlightened spirits go wassailing* to honour our fruit trees and more generally our bountiful soil that provides food and shelter.

The Haddenham Wassail party will be meeting on Saturday 6 January at 4.30pm outside the bakery in Fort End and will process up Baker's Alley to the community orchard off Townsend Green. We will visit a few trees** around the orchard, call the traditional chant, make a bit of noise to scare off the evil spirits, put some toast in the branches of the trees (*for the wrens of course*), sprinkle a little cider around their roots (*and maybe drink a little!*) and hope that 2018 gives a good a crop as 2017 (*we've been overrun by apples in Haddenham: we must have wassailed well last January!*)

If you are coming, bring suitable footwear, warm clothes, a torch (*it will be getting dark when we finish*), something to make a noise (*shotguns are traditional but two pieces of wood that clack together are more practical – and less risky!*). It was rumoured that someone might bring some wassail cake.....? Next autumn you will be proud to think of your contribution to a great harvest of fruit in cold dark January!

* *Wassail derives from the old Norse greeting 'Waes Hail!' meaning 'Be of Good Health' to which the traditional response is 'Drinc Hail!'*

** *Contrary to some misconceptions, it is not necessary to wassail each tree as they are linked underground by mitochondrial threads which pass nutrients, and the wassail spirit, between each other*

For further information contact David Lyons on 01844 296174 or email dakeyd10@gmail.com

Urgent: Shared Ownership Homes for Local Residents

There are currently 4 terraced two bedroom shared ownership houses on the Millway Furlong development at Pegasus Way in that are available now but which are still empty.

When new estates are built, they often include shared ownership homes which are built with the hope that they make housing available to local, typically younger, residents at a more affordable price.

Sadly, the Housing Association managing the sales have not yet had anyone with a local connection take forward an application for the homes. Before the homes are marketed more widely, we want to do all we can to ensure that these homes to go to local people.

This is the link to the property listings on <http://www.rightmove.co.uk/property-for-sale/property-62045062.html>

Hightown Homes are offering the properties at prices from £165,000 (*based on a 50% share of £330,000*) with monthly rent at £481.25 and monthly service charge at £50.83, as well as £500 towards legal fees.

Please pass this on to anyone you know who may be interested – these homes are built to help those brought up in an area to stay local – spread the word!!

Newsletter Survey

The Parish Council is carrying out a review of the way it communicates with residents. To help us improve our communications we would be grateful if you could spend a few minutes answering this short questionnaire.

Currently the newsletter is produced quarterly and delivered to every house in the village by a group of volunteers. We are considering reducing the size of the publication and increasing the frequency to monthly. We also think that many residents may prefer to receive the newsletter electronically. As the village grows it is likely to be more difficult to distribute hard copies to every household so we are considering reducing the number of hard copies and making them available for residents to pick up from various public places.

Do you regularly read the Village newsletter? yes no

Should the frequency be changed to monthly? yes no

If the newsletter was available online would you be happy to access it in that way? yes no

Would you like the newsletter to be sent to you by email rather than hardcopy? yes no

Would you be happy to collect a hard copy from a local public place? yes no

Would you still need to have a copy delivered to your home as you are unable to collect one? yes no

What is your age? <18 18 - 30 31 - 45 46 - 65 66 - 80 >80

Please return your completed survey to: Haddenham Parish Council, Parish Council Office, Banks Park, Banks Road, haddenham HP17 8EE

The survey can be downloaded from haddenham-bucks-pc.gov.uk and emailed to haddenhampc@btconnect.com

Christmas starts here!

The 2017 Haddenham Winterfest will take place on December 9th, 12.00pm to 5.00pm at the usual venue, on Banks Park.

For the thirsty there will be 40 real ales on offer, all from micro breweries within 35 miles of Haddenham, as well as a dozen ciders, wine (*mulled and un-mulled*), phenomenal gins and plenty of other offerings to suit all tastes.

Artisan food stalls will satisfy the munchies as you are entertained by 5 local bands and, of course, the Haddenham Mummers will treat you to a masterclass in thespianism!

As many of you will already know, the Winterfest has a fun, party atmosphere - enjoyment is obligatory. Winterfest is run by Haddenham Beer Festival Trust, a charity who distribute income from both summer and winter festivals to help support local groups and organisations. To date over £240,000 has been raised and distributed.

Advance tickets will soon be available from many local outlets or please visit the website at haddenhambeerfestival.co.uk to get special deals on tickets and vouchers.

The Haddenham Mummers

The Haddenham Mummers will be back on tour this Christmas with several dates during December. Having raised over £3,000 for local causes and the MPS charity this tightly drilled squad of highly skilled actors will be performing the traditional Haddenham Mummers play in the village and elsewhere, thrilling audiences new and old.

The mummers play, a traditional tale of good versus evil was first written down in the 1930s by Walter Rose, a famous son of the village, author and skilled carpenter. As well as his name living on in the village hall meeting room, he also appears in the mummers play, measuring up a corpse for a coffin. Over the years the Haddenham Mummers have collected more than £30,000 and been sponsored by Chiltern Railways.

This year performances include the Winterfest on Saturday 9th December, the village carol service on Friday 15th December and the 'In Village Tour' on Friday 22nd December. See Haddenham.net and posters around the village and in the library for further details closer to the time!

Haddenham Parochial Charities grants

The trustees of the Haddenham Parochial Charities are now inviting applications from the less fortunate residents of the parish for gifts from the Joseph Franklin, the Rev. John Willis and the Alms' Corn charities.

The objects of the original bequests were to provide bread and coal for the poor at Christmas, and seed corn on Good Friday for the poor who did not otherwise receive alms. Nowadays the trustees make small gifts of money to eligible Haddenham residents by dividing the charities' annual income. The list of claimants is kept confidential.

If you wish to apply, please collect and complete a form, now available in the Post Office, the Medical Centre, the Parish Office, and Blooming Fruity for return by Friday, December 1st.

Road Works Ahead

There will be severe disruption in the Station Road/Church End area of Haddenham, starting on 17th November and potentially lasting until the end of January 2018.

Thames Water is undertaking significant works which are improving our water pipes, substituting new larger, stronger plastic pipes for the old ones.

The first phase of work is to result in the closure of sections of Station Road between Townside and Gibson Lane, from November 17th to December 22nd. Thames Water advise that between Saturday December 23rd and Monday January 1st "all traffic management will be removed". The road will then be closed in Church End between the War Memorial and the footpath to the lychgate from January 2nd to 26th. Traffic lights will be in operation at times at various locations in Station Road/Church End between the bottom of Townside and the footpath up to the lychgate.

In addition, work is planned in the New Year which will affect Thame Road from the area of the station to the A418, with diversions likely to include Pegasus Way for journeys to Thame, and other village roads for journeys to Aylesbury.

Additionally, it is understood that resurfacing works are planned for Aston Road in the New Year.

In short, allow extra time for your journeys over the next few months and please take care whether you are driving, cycling or walking, as many of our village roads are likely to be even busier than usual.

Could you spare some time to help run our Youth & Community Centre?

The Haddenham Youth & Community Centre is run by a small group of volunteer trustees who took over from Bucks County Council a few years ago. We need new trustees to safeguard the Centre's future, and would love to hear from anyone prepared to give a few hours a week, whether supporting the weekly youth club, managing bookings, or sorting out occasional repairs, as well as contributing to quarterly trustee meetings. Please contact Sue or Jane in the Parish Office in the first instance on 292411.

*Wishing you all a
Merry Christmas
and a
Happy New Year
from us all at
The Haddenham Parish Council*
