PC20 15 COUNTY AND DISTRICT COUNCILLOR REPORTS

County Cllr Mr. Harriss was not present to report.

Aylesbury Vale District Council

Mrs Brandis

At a meeting on 6th May the structural change order for the new unitary authority was discussed in parliament and has now been passed to the House of Lords. The new Shadow Council needs to meet in the next 14 days as a result.

Thanks to the Clerk and Mr Harriss for assistance in applying to Bucks CC to have the damaged chicane on Thame Road, near to the Pegasus Way junction removed.

Can the applicant for Land West of Churchway come to the Annual Parish Meeting so concerns can be raised. The Clerk advised they have been invited but have not confirmed.

Mr. Lyons

This was Mr. Lyons' first Parish Council meeting since being elected to Aylesbury Vale District Council. The Members congratulated him on his election. It has been interesting to have the opportunity to visit other parishes and find out what help is needed. Most enquiries are planning related, and there appears to be some disconnect with the parishes. The existing district councillors are all members of the Shadow Council and we are waiting with interest for the first meeting. The parishes will need better support for the devolution of services. Mr Lyons is asking for support for 20mph speed limits which have already been introduced in Wales. Problems with litter bin emptying have been discussed with the officer and a meeting will be arranged if necessary.

PC20 16 REPORTS FROM OUTSIDE BODIES

(i) Haddenham Youth and Community Centre – Mr. Truesdale

Lynne Colley will be moving away from the village so will step down as Chair. Mr Truesdale is interim Chair.

(ii) Haddenham Social Centre Management Committee – Mrs Aston

Last Wednesday there was a User Group meeting, they were asked for their views on the future of the village hall. A hearing loop has been installed in the main hall. The solicitor has applied on

behalf of the committee to become a CIO which will afford better protection for the Trustees and allow a new constitution to be agreed.

(iii) Haddenham Community Library – Mr. Sharp

Since the middle of April Ali Gilbert has been appointed as the new librarian. The trustees are asking for a rebate from BCC for the reduced cost in staffing this year due to the changes. The discussion about the extension is ongoing and a meeting will be held next week with Joe Houston and HPC to discuss qualification for S106 funding.

(iv) Playing Field Management Committee - Mr. Young

The AGM was held on 24th April 2019, and the Year End accounts were received. Concerns were raised about lack of communication regarding the recent electrical work carried out by HPC and the new doors that are being proposed.

(v) Sports and Social Club Committee – Mr. Young

There is ongoing discussion about the requirements of modern legislation for the management of buildings which is too onerous for volunteer committees. Help will be needed from the Parish Council to appoint professional facilities management.

(vi) Banks Park Recreation Ground Trust – Mr. Truesdale

The draft minutes of the meeting held on 29th April 2019 were noted.

The committee discussed the surrender of the Day Centre lease, the extension to the library and Banks Cottage lease renewal.

(vii) Haddenham Safe Walking and Cycling Group – Mr. Lyons

The committee met on 24th April. Tribute was paid to Jim Robison an active member who had passed away, and it was agreed to place a plaque on Green Lane in his memory.

There are concerns about speed in Kingsey, the 40mph speed limit needs to be enforced.

The committee are pleased about the project to reduce the speed limit on the A418 at Scotsgrove.

It would be nice to install more kissing gates on the local footpaths but several land owners are not interested in supporting this.

The footpath to Chearsley is overgrown with nettles so needs cutting.

(viii) The Year End accounts for September 2018 were received from Haddenham Parochial Charities.

PC20 17 FINANCE AND GENERAL PURPOSES

(i) The draft minutes of the meeting held on 29th April 2019 were noted.

(ii) The list of payments to the end of March 2019 was noted (see appendix 2). The April payments will be entered into the system when the year-end closure is complete and will be reported at the next meeting.

(iii) The receipt of the first precept payment was noted.

(iv) It was noted that the Year End reports and AGAR will be on the agenda for the June PC meeting.

- (v) It was AGREED to continue with the following annual subscriptions:
 - a) Bucks Association of Local Councils (including 4x LCR magazine) £792.73
 - b) Get Mapping - Parish Online £75
 - c) Society of Local Council Clerks (on behalf of the Clerk and Deputy Clerk) £516
 - d) Aylesbury Vale Association of Local Councils £20
 - e) Community Impact Bucks £55
- (vi) It was noted that the LAF has agreed to fund 50% of the cost of the A418 speed reduction scheme, therefore the work can proceed.
- (vii) It was AGREED to pay for the hire of the Village Hall for the next Community Fair scheduled for 29th February 2020, following a request from the Village Society. Cost £304.
- (viii) It was AGREED that the doors at Woodways pavilion are replaced to improve security, disabled access and fire escape. A budget of £10k was set based on initial estimates and it was AGREED to DELEGATE to the Clerk to select the most appropriate option and proceed.
- (ix) It was AGREED to carry out a Fire Risk Assessment for Woodways pavilion. Cost £450 + VAT.
- (x) The Day Centre lease has still not been surrendered the payment of the BCC contribution towards utility bills is not resolved. The SCMC would like to receive a contribution and would be happy to reach a compromise agreement on the amount. Mrs Aston will talk to the BCC member directly to try and resolve this. The plans to refurbish the Day Centre as a new Parish Council Centre are progressing well, and tenders have just come in to carry out the work.
It was AGREED to accept the quote of £5,040 from PCMS for RIBA stages J-L to oversee the works.
- (xi) It was AGREED to fund the feasibility study for improvements to Haddenham Village Hall on behalf of the Social Centre Management Committee. Cost £8,800+VAT. The Clerk confirmed that this can be reclaimed from S106 funding.
- (xii) No further updates from the Chair.

PC20 18 PLANNING

- (i) The minutes of the meeting held on 25th March 2019 and the draft minutes of the meetings held on 8th and 29th April 2019 were noted.
- (ii) The Council's response to the following planning application was AGREED:
19/01652/APP - 17 Willis Road Haddenham Buckinghamshire HP17 8HL
Two storey and single storey rear extension.
The Parish Council has no objection subject to:
 1. The applicant demonstrating that there is sufficient on-site parking spaces for 4 cars per Neighbourhood Plan policy TGA1.
 2. There is no daylighting infringement to adjoining properties
- (iii) The committee considered 3 significant planning applications at an additional meeting on 8th April; Aston Road, Plot N on the Airfield Business Park and land West of Churchway (HAD007).

The application for plot N made no reference to the residential development to the east (HAD007) or to the footpath through to the Airfield and station. At the VALP public inquiry AVDC officers stated that the path would be deliverable. Some concerns were raised about the HAD007 plans, the south western corner of the site is built up to the industrial area, with no green buffer. The applicant reported that AVDC wants to keep a village feel to the development but this is not reflected in the design. The PC has asked for the opportunity to meet the planning officer. Mrs. Brandis agreed to help facilitate this.

A House of Lords Report entitled Time for change for the Rural Economy has been published, it includes some useful information, but makes no reference to climate change or biodiversity.

PC20 19 ENVIRONMENT

- (i) The draft minutes of the meeting held on 25th March 2019 were noted.
- (ii) The draft minutes of the Allotments Committee meeting held on 20th March 2019 were noted. Mr. Wheeler was not present to give a report. The allotment site lease renewal is still outstanding.
- (iii) The draft minutes of the Community Orchard Committee meeting held on 10th April 2019 were noted. Mr. Lyons reported that the new shed is now complete, this will allow better management of tools for the site. A working party will be held to deal with the cow parsley, this was done with volunteers from Cosine last year so it is hoped they can help again this year. The Easter Egg hunt was very well attended and successful. The core may be used as a venue for the arts festival that is planned for the autumn to coincide with Haddenham Feast.
- (iv) Snakemoor Nature Reserve is looking particularly good this year the snakeshead fritillaries have been better than ever before.
- (v) Mr. Young thanked Mrs Marsden for the effort she has put in to ensure Banks Park play area is installed correctly and safely, it is now in constant use which is good to see. Due to the issues with the Banks Park play area and the design of Sheerstock it was decided to give up on HAGS and use Proludic for Sheerstock.

PC20 20 PERSONNEL COMMITTEE

The draft minutes of the Personnel Committee meeting held on 12th April 2019 were noted.

PUBLIC PARTICIPATION

- A goat has been found on the allotments
- The Communications Committee meetings are still on the website so need to be taken off.

- Willis Road residents feel let down by AVDC and HPC. It is very depressing to see what is being built on the Glebe site. The new houses are horrifically close to existing properties, with no gaps in the view. All the existing residents are suffering. There is loss of light to the back gardens, and overlooking from windows in the new houses. The design is not in keeping with Willis Road.

- Mrs Brandis asked when the grass will be cut on Willis Road.

The Clerk explained that VAHT had been cutting the grass verges within the VAT estates, but had stopped on 1st April when their new contract started and it became apparent that the roads were adopted by BCC so should be their responsibility. They haven't been included in the devolved agreement with the Parish Council so are not included in the PC's maintenance contract. The Clerk has asked Aspire to quote for including these verges, and for the extra work as the initial cut will be a bigger task as they are now so long. BCC officers have not yet responded to a query about why the PC was not informed and if the devolved agreement needs to be amended. The verges on all the VAHT roads will be cut as soon as possible.

CONFIDENTIAL ITEMS

Pursuant to section 1(2) of the Public Bodies (Admission to Meetings) Act 1960 the Council resolved to exclude members of the public for the following item because of the confidential nature of the business to be transacted.
